

Allah's Will – Human Guidance Law of Punishment & Reward

Allah the Al-Mighty said in the Holy Quran:

" (7) By Nafs, and Him who perfected him in proportion (8) Then He showed him what is wrong for him and what is right for him (9) Indeed he succeeds who purifies his ownself (10) And Indeed he fails who corrupts his own self. " Surat Al-Shams

According to the above verses: Law of Punishment & Reward:

1. The one who seeks guidance and follows it → Allah rewards him more guidance and success in this life and the hereafter.
2. The one who seeks corruption and follows it → Allah punishes him by sending him more astray, and so he fails in this life and the hereafter.
